Upon receipt, Digital Element will confirm billing and then process your order. We may need to call you at your posted number, so let us know if there are any special times that you are available.

International Shipments may include import taxes imposed by the shipping recipient's country. Digital Element is not responsible for these additional charges. California residents pay California Sales Tax, as defined by their county.

Filling out the product order form constitutes a written request to purchase the software listed. The requestor hereby grants Digital Element the right to bill the credit card for the amount listed and send the product to the Shipper's address. The Product Order Form does not constitute a contract by Digital Element to offer any software at a particular price. Prices can change without warning. Digital Element will contact the Billing Address with any changes to pricing for confirmation before shipping.
